GENERAL.

NOTIFICATIONS.

The 15th April 1891.

No. 25.—The scope of Rule I of Government Notification No. 107, dated 5th September 1887, providing for the grant of licenses to prospect for gold appears not to be clearly understood and unfounded, fears are entertained in some quarters that any block of land selected by a prospector is liable to be leased to other applicants at a public competition by inviting tenders for the same.

2. The Government accordingly republish hereunder for public information the Rule above quoted regarding prospecting licenses:—

"*Prospecting Licenses.*

"1. Persons desirous of carrying on prospecting operations with a view to select land for mining purposes within the Territories of Mysore can, on application to the Dewan, and the payment of a fee of Rs. 500, obtain a license granting leave to prospect within a specified area not exceeding ten square miles. The licensee will be entitled to select, within one year from the date of the license, a square mile of land for mining purposes within the area specified in his license. When the selection has been made, the licensee may obtain a lease for the selected area under the following rules and conditions. During the period for which a prospecting license is in force and within the area specified in it, no mining lease or prospecting license shall be granted to any other person. But the Government reserves to itself the power of refusing a prospecting license in respect of any tract."

3. "Any person obtaining a prospecting license under the above Rule is at full liberty to select within the time and within the area specified in his license a block of one square mile for mining purposes, to intimate such selection to Government and to obtain from Government for the selected block a lease in the terms of the form appended to the aforesaid Notification, without competition of any kind from others by means of tenders or otherwise, and by the prospector merely depositing with Government a sum of Rs. 1,000 as security for the due fulfilment of his engagements as lessee.

4. Prospecting licenses will be granted only as regards such lands as have not been specially reserved by Government. A list of such lands can be obtained from the Under-Secretary to the Dewan, at the Public Offices, Bangalore.
